IMPORTANT INFORMATION: This communication is for information purposes only and is not, and under no circumstances, to be construed as an invitation to make an investment in Liahona Mortgage Investment Corp. Investing in Liahona Mortgage Investment Corp. Shares involve risks. There is currently no secondary market through which Liahona Mortgage Investment Corp. Shares may be sold and there can be no assurance that any such market will develop. A return on an investment in Liahona Mortgage Investment Corp. Shares is not comparable to the return on an investment in a fixed-income security. The recovery of an initial investment is at risk and the anticipated return on such an investment is based on many performance assumptions. Although Liahona Mortgage Investment Corp. intends to make regular distributions of its available cash to Shareholders, such distributions may be reduced or suspended. The actual amount distributed will depend on numerous factors, including Liahona Mortgage Investment Corp.'s financial performance, debt covenants and obligations, interest rates, working capital requirements, and future capital requirements. It is important for an Investor to consider the particular risk factors that may affect the industry in which it is investing and therefore, the stability of the distributions that it receives. There can be no assurance that income tax laws and the treatment of Mortgage Investment Corporations will not be changed in a manner which adversely affects Liahona Mortgage Investment Corp.

PAST PERFORMANCE MAY NOT BE REPEATED. Investing in Liahona Mortgage Investment Corp. Shares can involve significant risks and the value of an investment may go down as well as up. There is no guarantee of performance. An investment in Liahona Mortgage Investment Corp. is not intended as a complete investment program and should only be made after consultation with independent investment and tax advisors. Only Investors who do not require immediate liquidity of their investment should consider a potential purchase of Shares. The risks involved in this type of investment may be greater than those normally associated with other types of investments. Please refer to the Liahona Mortgage Investment Corp. Offering Memorandum for full details of the risks associated with this investment.
